

YOUR VOICE HOLDS POWER IN YOUR COMMUNITY

It's time to use it.

We are looking for at least 100,000 Black women who are willing to lend their voices to a pivotal long-term study called VOICES of Black women. This groundbreaking initiative, led by the American Cancer Society, is committed to understanding health conditions like cancer and learning how to improve the overall health of Black women for generations to come.

voices.cancer.org

Join us today in VOICES of Black Women!

*Enrollment will take place in Alabama, California, Florida, Georgia, Illinois, Louisiana, Maryland, Massachusetts, Michigan, Mississippi, Missouri, New Jersey, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, Texas, Virginia, and Washington, D.C.

VOICES
OF BLACK WOMEN

HOW CAN YOU HELP?

A new future for Black women starts with you. Share this important information with a Black woman in your life and encourage them to enroll in the VOICES study. With your help, you can join us in creating a better future for all.

Using your voice changes the outcomes for countless generations to follow.
