Getting Started

In order to transact with ACS, you will need to set up an account in our Source to Pay system - Coupa. Your ACS staff partner will initiate this process on your behalf. You will receive an email from do_not_reply@supplier.coupahost.com with the subject “Request for Information from American Cancer Society Inc”.

If you do not receive the email but believe that you should have, please check spam email folders.

**Before you get started, gather the following information:**
- Contact Information (i.e. name, email, address, etc.)
- Federal Tax ID
- W9 Form (unless completing the International Supplier Information Request Form)
- Remit to address information
- If choosing to set up for ACH payments (direct deposit), your banking information

**Required fields are marked with an asterisk.** Some fields are prepopulated based on information provided by your ACS staff partner, or if you already have a profile on the Coupa Supplier Portal. Please review and update if necessary.

Choosing “Join and Respond” vs “Respond Without Joining”

Suppliers with infrequent transactions (one or two invoices per order or contract) should select Respond without Joining in order to directly fill out the electronic form.

Suppliers who will be doing recurrent business (recurrent/multiple invoices per order or contract) should join the Coupa Supplier Portal (CSP) to enable management of orders, invoices, and payments.

1. Select Join and Respond. You will be taken to a screen to create an account for the CSP.
2. After completing CSP registration and logging in, please navigate to the Profile tab > Your Customer Profiles to fill out and submit the Supplier Request for Information form.

Select the appropriate button from the original email that you received from Coupa, inviting you to register your company’s profile.

When Registration is Complete but ACS Still Shows it is Incomplete

It is possible if you chose the “Join and Respond” button from the original email, that you completed registration for the Coupa Supplier Portal, but did not finish filling out the actual information form. This is a separate activity.

To finish your onboarding, please do the following:
- Select the Profile tab towards the top of the page.
- Select Your Customer Profiles subtab.
- In the Profile dropdown, select American Cancer Society Inc.
- Our specific profile form should load. Please note: Fields with a red asterisk are required fields.
- Submit

When I Submitted my Completed Form, I received an Error

Most often, when a form is submitted and an error occurs, it is because there are required fields that have not been completed. It is always recommended that before hitting the “Submit” button that you review all fields to ensure all with a red asterisk have been filled in.

Link Within the Email is Not Working

It is important to note that registration links in the original email will only be active for 15 days. If you attempt to select either button after 15 days have passed, you will be unable to access the links.

If this occurs, please reach out to ACS Customer Service by emailing customerservice@cancer.org, and ask them to have the form resent to you. You will receive a new email after they do, and you can proceed through those links.

What to Expect After Submission

Once your Information Request form has been submitted successfully, you will receive an email from Coupa Supplier Portal with the subject “Profile Information Recently Updated”. This indicates that the form has been returned to ACS and will be reviewed by our Accounts Payable department.

After the form is reviewed and approved, you will receive a second email with the subject “Profile Information Approved by American Cancer Society Inc”.

⚠️ At any time during registration you can save your work in “Draft” status. Please be sure to go back and complete the required information within 15 days from receipt of invitation email!
